Letter to Screening Agencies asking them to delete expunged evictions

Date: _____

Dear Directors:

I am the tenant listed in the enclosed expungement order(s).

Minnesota Statutes § 504B.241, Subd. 2 says that “If the completeness or accuracy of an item of information contained in an individual’s file is disputed by the individual, the residential tenant screening service must reinvestigate and record the current status of the information. If the information is found to be inaccurate or can no longer be verified, the residential tenant screening service must delete the information from the individual’s file and residential tenant report.”

Subdivision 2 also states that “At the request of the individual, the residential tenant screening service must give notification of the deletions to persons who have received the residential tenant report within the past six months.”

I am asking you to delete all of your references to this court file, and that you notify anyone who got my tenant report in the last 6 months that the eviction was expunged and deleted from my file.

Minnesota law does not permit tenant screening agencies to ask for any other information on tenants before taking this action.

Please contact me if you have any questions. Thank you.
