

I Lost my MA or MinnesotaCare. What do I do?

Don't Lose Your Coverage

During the pandemic, you didn't have to renew your Medical Assistance (MA) or MinnesotaCare. This kept people from losing their health coverage during the Pandemic. But now you have to renew again! **If you renew, you don't have to re-apply.**

To keep from losing your coverage:

- 1) **Make sure your contact information is up-to-date so that you get the renewal notice.** If you or anyone in your household has **MA**, call your [county or tribe](#) to update your contact information. If you have **MinnesotaCare**, call Health Care Consumer Support 651-297-3862 or 800-657-3672.

There is also a Renewal look-up online at <https://mn.gov/dhs/renewmycoverage/>.

- 2) **Fill out your renewal paperwork as soon as you get it.** Learn more by reading our fact sheet, *Renewing Your Medical Assistance (MA) or MinnesotaCare Coverage*.

If you do lose your MA or MinnesotaCare coverage, you need to re-apply.

3. Check if your employer offers health insurance.

Your employer may offer health insurance. Talk to them as soon as you can. If they do offer coverage, you may only have a limited time to enroll.

4. Does Medicare have a late enrollment penalty?

Yes. But if you didn't sign up for Medicare when you first became eligible, you have a limited time to sign up without paying the late enrollment penalty. This is called the "Special Enrollment Period." Your Special Enrollment Period starts the day you get the notice that your MA coverage is ending. The Special Enrollment Period lasts for 6 months after your MA coverage ends.

Your Medicare coverage starts the month after you sign up, or the date your MA coverage ends. You get to choose which.

For more information about this Special Enrollment Period and how to sign up for it, visit the [Medicare website](https://www.medicare.gov). Or call 1-800-MEDICARE (1-800-633-4227). For TTY users: 1-877-486-2048.
